

# Content Action Steps

Print enough for each day of the week and place in a binder

I.) **Content title:** \_\_\_\_\_

Create content at once together:

- Video: Tools needed for video is a camera recorder. Webcasts can be created with Cam Studio.
- Podcast: Tools needed for audio is audacity or garage band and a good microphone with pop filter.
- Record Audio and video at the same time to transcribe the content

Steps:

Open audacity for windows or garage band for apple computer with microphone for podcast audio. Station your video recording device on pause. When you are prepped, press record on for podcast and then the video. Create your content.

- Content transcribe: the audio recording to writing for the post and slide.

II.) **Publish:**

1.) Video: <input type="checkbox"/> YouTube <input type="checkbox"/> Vimeo <input type="checkbox"/> D Tube And Steemit <input type="checkbox"/> Others	2.) Podcasts: <input type="checkbox"/> iTunes <input type="checkbox"/> Android <input type="checkbox"/> Others	3.) Written <input type="checkbox"/> Blog <input type="checkbox"/> Slides	4.) Share: <input type="checkbox"/> Facebook <input type="checkbox"/> Twitter <input type="checkbox"/> LinkedIn <input type="checkbox"/> Pinterest <input type="checkbox"/> Instagram <input type="checkbox"/> Snapchat <input type="checkbox"/> Others	5.) Comment <input type="checkbox"/> Answer comments <input type="checkbox"/> Other Blogs <input type="checkbox"/> Paid Advertising
